**(RU) ВНИМАНИЕ!**

- Перед подключением электрических кабелей убедитесь, что питание отключено.
- Светофоры должны устанавливаться только квалифицированным техническим персоналом.
- Используемые устройства содержат перерабатываемые материалы. Просьба сдавать использованные устройства на утилизацию.

**(EN) ATTENTION!**

- Before connecting the electrical cables make sure that the power supply is off.
- The traffic lights have to be installed by qualified technical staff only.
- Used vacuum cleaners still contain many recyclable materials. Therefore please take used vacuum cleaners to your retailer or recycling center so that they can be recycled.

**(IT) ATTENZIONE!**

Prima di effettuare i collegamenti assicurarsi che l'alimentazione sia staccata.

L'installazione deve essere effettuata da personale qualificato.

Gli apparecchi dismessi contengono materiali preziosi. Si consiglia pertanto di restituire l'apparecchio dismesso al proprio rivenditore o presso centro di riciclaggio.

**(DE) ACHTUNG!**

Bevor Sie die Ampel berühren, versichern Sie sich dass die Spannung ausgeschaltet ist.

Die Installation darf nur von einem Fachmann ausgeführt werden.

Altgeräte enthalten vielfach noch wertvolle Materialien. Geben Sie deshalb Ihr ausgedientes Gerät bei Ihrem Händler bzw. einem Recyclingcenter zur Wiederverwertung ab.

**(FR) ATTENTION!**

Avant d'effectuer les branchements électriques s'assurer que l'alimentation soit débranchée.

L'installation ne doit être effectuée que par du personnel qualifié.

Les appareils usagés contiennent souvent des matériaux précieux.

Remettez donc votre appareil usagé à votre revendeur ou à un centre de recyclage pour la revalorisation.
